*Resolution  
Save Historic Muny District  
February 12, 2020*

*In SB 2553 the Texas Legislature expressed an intent to create a district to obtain a contract to purchase the Lions Municipal Golf Course tract from the University of Texas or otherwise preserve it for its historic use as a public golf course, publicly available parkland, or a combination of those uses and provide possible funding related to the tract from persons within the District as well as from donations and other sources of income.*

*In order to comply with the directive of the Legislature, the Save Historic Muny District supports an extension of the current lease on the Muny property under current terms until December 31, 2022, to allow time for fundraising, and seeks a grant to the District of an assignable option to purchase the historic property for a public 18-hole golf course and recreational use for a reasonable price that recognizes various public purposes and benefits the University has derived from the City of Austin.*

*Both the City and the University have expressed the willingness to extend the golf course lease on a month to month basis with a five month notice of cancellation, and we wholeheartedly support that agreement. The District also seeks to have the lease between the University of Texas and the City of Austin amended so that should the City cease to be a party to the lease the District would have the right to step in to replace it.*

*In return for an option to purchase Muny at a price achievable by reasonable fundraising efforts over an adequate period of time, the District would support University efforts to develop the other parts of the Brackenridge Tract, including traffic improvements that do not impinge on the Muny tract. The District also wishes to maintain and develop a partnership with the University for stewardship of the historic site.*

Mary Arnold: Discussion of verifying that the Muny lease extension is on City Council's February calendar.

**6. Item 5 (Information re Potential SHMD Proposition on Election Ballot)**

Mary Arnold: Discussion of timing and logistics regarding any potential 2020 election ballot.

Brian Greig moved that the Board include a statement in the minutes declaring that it has no current intention to seek a vote or fee from residents of the District and would only potentially revisit the subject should it ever have a reasonable and achievable option to purchase Muny from UT. The motion was seconded by Ken Tiemann. **The motion passed 5-0.**

**7. Item 5 (Discussion of Future Meeting Dates & Agenda Items)**

Future agenda items will be compiled after February meetings have concluded for both the UT Board of Regents and the Austin City Council.

Meeting Date: March 11, 2020  
Location: Penick Room, Lions Municipal Golf Course  
2901 Enfield Road, Austin, TX 78703

**8. Item 6 (Meeting Adjourned)**
